

Teachable Trash
Recycling Game for Kids

Step 1

Cut out these common household items
and place them to the side.

Teachable Trash
Recycling Game for Kids

Step 2

Follow the cut-out lines to make your own recycling bins. Glue this sheet to the top piece in step 3.

Trash

Glass

Paper

Plastic

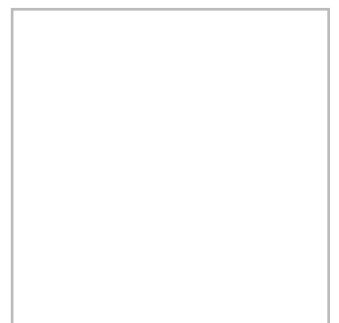

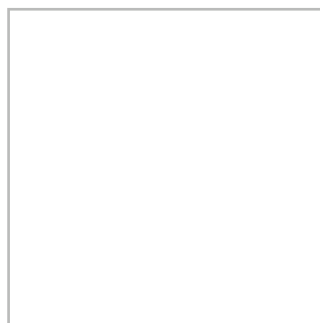

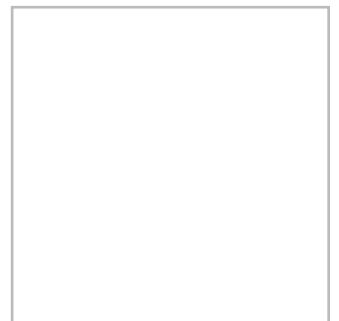

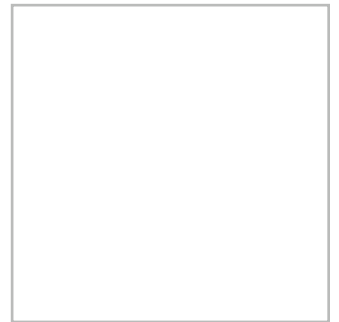

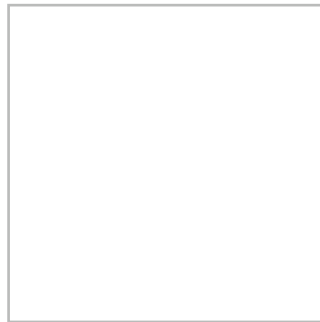

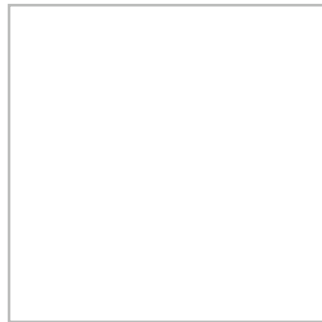

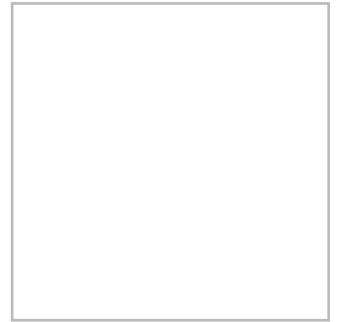

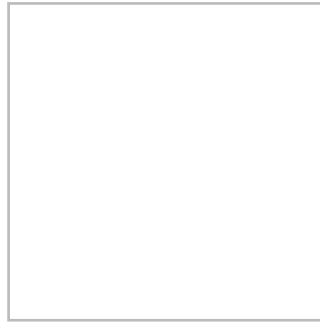

Teachable Trash
Recycling Game for Kids

Step 3

Place the common household items that you cut out,
under either plastic, paper, glass, or trash.

Put glue here and place cut-out from step 2 on top
